RE: Veteran's Name: WORDEN, Earl David

Dear Recipient:

Thank you for contacting the National Personnel Records Center. We are providing the releasable military service information based on restrictions imposed by the military services consistent with Department of Defense regulations and the provisions of the Freedom of Information Act and the Privacy Act of 1974. The releasable information requested, if present in the record, has been transcribed, photocopied, or a combination of both, in order to comply with your request.

This record contains sensitive personal information which, if disclosed, would constitute a clearly unwarranted invasion of personal privacy to the veteran, the veteran's family, or third party mentioned in the record. We have redacted and/or withheld that information in accordance with the personal privacy exemption of the Freedom of Information Act (FOIA), 5 U.S.C. § 552(b)(6).

If additional information is needed, the Privacy Act of 1974 requires the written consent (signature) of the individual to whom the record pertains. If the individual is deceased, we must have the written consent of the next of kin and proof of death. The next of kin is defined as: unmarried widow or widower, son, daughter, father, mother, brother or sister. The following are acceptable forms of proof of death:

- Death certificate
- Newspaper article (obituary) or death notice
- Coroner's report of death
- Funeral director's signed statement of death
- Verdict of coroner's jury
- If death occurred outside the United States, any document similar to one of the preceding five, or a report of death signed by a United States consul or other agent of the State Department.

If you consider this an adverse response under the FOIA, and are not satisfied with our action on this request, you may contact our FOIA Public Liaison Kevin Pratt for assistance at:
